To Advertisers.

The ADVERTISER is the oldest newspaper in North Mississippi, it has a large and increasing circulation in Tippah, and a limited circulation in all the surrounding counties, and we would therefore suggest to business men, that its columns would be a good medium through which to make their business known.

GREAT COMBINATION.

The RIPLEY ADVERTISER and DEMOREST'S ILLUSTRATED MONTHLY MAGAZINE. Both publications, one year, for Three Dollars.

DEMOREST'S MONTHLY is justly entitled the World's Model Magazine. The largest in form, the largest in circulation and the best Two Dollar Family Magazine issued. 1883 will be the nineteenth year of its publication; it is now improved so extensively as to place it in the front rank of Family Periodicals, and equal to any magazine. It contains 64 pages, large quarto, 8 1/2 x 11 and a half inches, elegantly printed on tinted paper, fully illustrated, each number having steel engravings, oil picture, or art subjects published by W. Jennings Demorest, New York, and by special agreement combined with the ADVERTISER at Three Dollars per year.

—Send your orders for job work to the ADVERTISER'S office.

TWO DOLLARS.

A NEW DEPARTURE FOR

DEMOREST'S MONTHLY ILLUSTRATED MAGAZINE.

The largest in Form and in Circulation. And the best in everything that makes a magazine desirable. Demorest's Monthly Magazine presents a grand combination of the entertaining, the useful and beautiful, with stories, essays, poems, fashions, family matters, art critiques, lovely oil pictures, steel engravings, and other art features.

Send twenty cents for a specimen copy, or subscribe six months for ONE DOLLAR.

TWO DOLLARS A YEAR.

There is no publication so cheap or so good. For circular of full particulars, address W. JENNINGS DEMOREST, 17 East 14th Street, New York. Or R. F. FORD, Ripley, Miss., Agent.

THE APPEAL FOR 1884.

The APPEAL, having for forty-three years been recognized as the exponent of Southern thought, Southern politics and Southern industry, and shared the sympathies of the Southern people, it is now participating in their prosperity. The increase in circulation and business has been steady and unbroken. It has many more readers now than ever before in its long history, and it will be the aim of the management to deserve a continuation of this patronage by the publication of a broad, full, complete, enterprising journal, commensurate with the growth of the city, the prosperity of the South, and that shall rank with the large and influential papers of other great cities. It has and will have correspondents at all the important points contributory to Memphis; and it will use, as it is now doing, the telegraph freely for its own special reports of all interesting events. The year 1884 promises to be one of the most important in this crowded and eventful century. It will witness a Presidential election, of unusual interest, and in this great contest the APPEAL will be where it has always been—the friend and advocate of the democratic party. The APPEAL for 1884 will present to its readers a full and full record of current events.
